EXPERIENCE

Girls Who Code   **Nov. 2019 – May 2021**
Ohlone College Chapter - Founder & President
- As Founder & President, I encouraged women in tech through recruiting, weekly meets, being an HQ proxy, etc.
- Hosted club workshops on GitHub, HTML/CSS (Web Dev Series), Flutter/Android Studio (App Dev Series).
- Planned and executed an OhloneHacks Figma workshop for Spring 2021.

CS Bridge Section Leader   **June 2021 – July 2021**
Stanford University
- As a Section Leader, I led small groups of students through the Python curriculum.
  - Met daily with my group for in-depth reviews of lecture/applying new concepts learned to practice programs.
  - Worked with all students in the program for daily office hours, regarding Python help..

Society of Asian Scientists & Engineers   **May 2022 – Present**
UC Santa Cruz - Engineering Vice President
- As the Engineering VP I am responsible for organizing events and activities for our engineering majors.
  - Coordinating SASE West Regional Conference 2022 and overseeing officer panels.
  - Assisting members with resume & extracurricular tips, small group tutoring, etc.

Tech4Good Lab Web Developer   **Aug. 2022 – Present**
UC Santa Cruz - UI Components Lead
- Primarily worked with HTML, CSS, JavaScript, and Angular to develop responsive components and dynamically updated pages for the Tech4Good web platform.
- As a UI Components Lead I am also responsible for organizing and mentoring a UI Components team, crafting component hierarchies, and generating components for my teams to work on under supervision.
